Re: Formal Approval of Replacement Reclamation Surety, Graymont Western US Inc., Cricket Mountain Quarry, M/027/006, Millard County, Utah

Dear Mr. Brown:

On September 15, 2003, the Director of the Division of Oil, Gas and Mining formally approved the form and amount of replacement reclamation surety for Graymont Western US Inc.'s Cricket Mountain Quarry. On July 1, 2003 we received notification that the Lumbermens Mutual Casualty Company surety bond #063650 was going to be canceled effective September 23, 2003. On September 11, 2003, we received a replacement Reclamation Contract and surety bond in the form of a Letter of Credit (LOC) #SDCMTN545925 issued by HSBC Bank USA. The amount did not change from \$1,667,600 in year 2007 dollars. *The Division hereby grants its final approval of the replacement surety and Reclamation Contract.*

Enclosed please find a copy of the fully signed and executed Reclamation Contract and LOC for your files. Also enclosed are the original Reclamation Contract and Surety Bond #063650 issued by Lumbermens Mutual Casualty Company for your disposal, or return to the surety company.

Thank you for your help in replacing this surety in a timely manner.

Sincerely,

D. Wayne Hedberg, Permit Supervisor
